### Discussion:

## Do You Enjoy Online Shopping?

More and more people are buying their clothes online. There are some advantages and disadvantages to shopping online.

#### Advantage

- You can shop 24 hours a day.
- Goods are often cheaper.
- You are able to read reviews written by other people who have purchased the item.
- You can compare as many products and prices as you want.

#### Disadvantage

- You do not get to try things on!
- Shipping costs add to how much you are paying for each item.
- Clothing ordered online takes quite a bit of time to get to you.
- You don't support your local businesses and economy as much.

Do you usually buy clothes online? Why or why not?

What have you bought online recently?

What are current fashion trends?

Is there an old fashion trend you wish would come back?

Where is the best place to buy clothing in your city?

What do you consider before buying clothes?

Do you prefer shopping alone or with a friend?

### What am I going to wear? I am going to wear...

I have an important job interview.

I have a blind date.

I am going to the beach.

I am going hiking.

I am meeting a friend for dinner on Saturday night.

I am going to the gym.

I have to go to friend's wedding.

I am going to go to the department store.
