

## Lesson 07: Cultural Mistakes

### Warm-up Questions:

Do you think you have good cultural awareness? Do you think it's good to have cultural awareness?

What are some examples of things you should research before engaging in a business relationship with someone from another culture?

What are some common cultural mistakes foreigners make in your country? Have you ever made a cultural mistake while visiting a foreign country?

### Vocabulary/Expressions:

Play it by ear  
Offensive  
Expatriate

Ring a bell  
Politically correct  
Show (someone) the ropes

Have a game plan  
Culture shock  
Levity

### Discussion:

When traveling abroad, some people struggle to adapt to the food of the other country. Do you have any advice or experience in this regard?

Is there a part of Korean culture you don't agree with? Would you like to change it?

What is great about your country? Brainstorm with your partner.

### Representing your culture:

You will open a booth at a Global Cultural Expo to represent something unique about your country. Choose one of the items you brainstormed earlier and prepare a short presentation/speech to promote your culture/country.
