

## Communication and Culture

### Warm-up Questions:

Have you ever experienced culture shock?

Why do you think it is important to be aware of cultural differences when interacting with people.

How would you explain your country's communication style to a foreign visitor?

### Voc/Expressions:

Compliment  
 On the border line  
 Tactful

Culture shock  
 All ears  
 Dramatic

To offend someone  
 Off the hook  
 Open eyes to (something)

### Discussion:

Are you familiar with other cultural etiquettes or differences around the world?

Have you ever unintentionally offended someone with a different culture?

What cultural mistakes do you see foreigners making in your country?

**Activity:** Create your country's Culture 101 with your partner. Make a list of do's and don'ts of Korean culture. What are some cultural etiquettes foreigners should know before visiting your country.
