

Predicting the Future:

I will most definitely (do)... (High probability/certainty)

I will (do)...

I may (do)...

I might (do)...

I am not sure if I will (do)... (Low probability/certainty)

There is a good chance/probability that...

There is a chance that...

There is a small chance that...

I am 100 percent certain that will happen.

I am positive that will happen.

I bet that will happen.

Practice: Agree or disagree with the following predictions. Provide reason(s) and have a short discussion.

I will move to another house in 5 years.

I will move to another country in 5 years.

I will be a fluent English speaker in 10 years.

Your country will win the next World Cup.

Aliens will contact Earth by 2050.

I will be married in 20 years.

I will have 10 cats in 30 years.

I will watch a movie this weekend.

I will win an Olympic gold medal one day.

I will meet my friend(s) this weekend.

I will travel overseas this year.

I will fall in love this year.

I will be famous in 10 years.

I will be healthier than now in 5 years.

Discussion:

What do you think the world will be like in 5 years? 10 years? 50 years? 1,000 years?

What will you accomplish this year? In 5 years? In your life?

If you could see the future, what would you like to see?
