

## **The Good Place: Season 3 Episode 7**

### **“The Worst Possible Use of Free Will”**

#### **New Vocabulary & Expressions:**

- **Free Will:** The ability to make choices unconstrained by necessity or fate.
- **Scruples:** Moral or ethical considerations that prevent certain actions.
- **Consequence:** A result or outcome of a specific action.

#### **Comprehension Questions:**

1. How does the concept of free will cause problems for the group?
2. Why is Michael frustrated with the way the humans are trying to improve themselves?
3. How do the characters handle the tension between their desires and their morals?

#### **Discussion Questions:**

1. How much free will do you believe we have in real life?
2. Do you think the consequences of our actions are always deserved?
